Dear Dr. Sherman,

We have not met yet, but I am Tom Tabi Oben one of the recipients of this year's APS Foundation Virology Student Travel Award. Your address was given to me by A. R. Chase, the Chairman APS Foundation. Just want to thank you so much for making it possible for me to attend this year's APS/ SON Conference in San Diego, California through your financial assistance in the Virology Student Travel Award. This money assisted me to meet up with some of the logistics. Not to take much of your time, I will end here and look forward to seeing you in San Diego.

Best Wishes,
Tom
